 Between
 THE NATIONAL CREDIT UNION ADMINISTRATION (NCUA)
 And
 THE NATIONAL TREASURY EMPLOYEES UNION (UNION)

This MOU addresses NCUA's decision for new examiners to complete the Level I training in the field rather than in the Central Office. In response to this decision, the parties agree to the following:

1. NCUA has allotted 40 hours prior to the Agency's Level II training to complete the assigned on-the-job training modules. If an employee is unable to complete any of the assigned training in the allotted time, he or she may request additional time after completing the Level II training from their Supervisor to complete any remaining training modules. New employees must complete Module 7 prior to attending level II training.
2. Employees will be compensated for their Level I training in accordance with applicable Agency policies.
3. Each trainee shall be furnished with a copy of this signed agreement during the first week of Level 1 training.
4. On the Job Trainer (OJT) supervisors will take the employees' training duties into consideration when assigning work.
5. Each OJT and SE for a trainee shall be furnished with a copy of this agreement.
